

### **REMARKS**

In this response the Applicant has amended claims 24-29.

### **Specification**

In this response Applicant has amended the abstract to conform to Examiner's guidelines. The Applicant submits that this amendment does not add any new matter.

### **Claim Objections**

The Office has presented objections of claims 24-29 due to the following informalities:

Claim 24, line 4 "the signals" should be changed to --signals--;

Claim 24, line 8 "the transmit" should be changed to --transmit--;

Claim 24, line 10 "the time" should be changed to --time--;

Claim 25, line 4 "the signals" should be changed to --signals--;

Claim 25, line 8 "the broadcast" should be changed to --broadcast--

Claim 29, line 4 "the signals" should be changed to --signals--

Claim 29, line 9 “the transmit” should be changed to --transmit--

Applicant has amended claims 24-29 in view of these recommendations and thus, the Applicant submits that these claims are allowable.

**Information Disclosure Statement**

The Applicant is submitting an information disclosure statement along with this response and submits the required fee. The Applicant respectfully requests the Office’s consideration of these references in view of the pending claims.

**Allowable Subject Matter**

The Office has indicated that claims 19-23 are allowed. Further, the Office has indicated that once the objection to claims 24-30 are overcome, that these claims would also be in condition for allowance. The applicant wishes to point out that the Office only raised objections to claims 24-29 and did not raise any objections to claim 30. As such, the Applicant assumes that the Office is indicating that claim 30 is allowable without any further amendments as long as the objections to claim 29, from which claim 30 depends, have been satisfied.

**Conclusion**

In light of the above, it is respectfully submitted that Claim 19 and Claims 20-23 dependent thereon, as well as amended claims 24-29 and claim 30 dependent thereon, are allowable.

All of the issues raised by the Examiner have been dealt with. In view of the foregoing, it is submitted that all the claims now pending in the application are allowable. An early Notice of Allowance is therefore respectfully requested.

Respectfully submitted,
